

2019 Junior Golf Schedule

Each session will receive six hours of instruction but in a condensed two-week period (details below). We are also offering a new program for our “older” juniors, SCC Junior Tour. The SCC Junior Tour will focus more on playing less on instruction and host weekly 9 or 18 hole events to help prepare the Juniors for competitive golf. We will have a weekly point system and award year long points on participation and results.
